

# Your Vision Discounts

Get an eye exam, plus discounts on frames, lenses and other services.

With your UnitedHealthcare health plan, you get 100 percent coverage for a routine eye exam, after your copayment, when you see a Routine Vision Network Provider. You save even more when you purchase eyewear through our network of vision providers. Take advantage of discounts on frames, lenses, contacts, and access to discounts for laser vision correction surgery. Review your health plan benefit information for details.

## Learn more about eyewear and discounts

### Frames

Top manufacturers and importers provide all the frames you purchase from our network providers. And all of our frames come with warranties against defects. You can choose from the most popular styles, available for all ages and tastes.

### Lenses

We work with top national labs to make sure the power and size of your lenses are right the first time. You also can get great prices on different lens options, including progressive, anti-reflective, UV coatings and tints.

### Laser vision correction

UnitedHealthcare has partnered with the Laser Vision Network of America to provide our members with access to discounted laser vision correction providers. Members receive 15% off usual and customary pricing, 5% off promotional pricing at over 500 network provider locations and even greater discounts through set pricing at LasikPlus locations.
