Highmark Companies

Annual Enrollment Information Effective August 1, 2020

Now is the time to consider your benefit elections. Below is information that will guide you through your benefits and payroll deductions.

At Highmark Companies, we are confident that our people are the reason behind our success. We recognize your hard work and have put together a benefits package that will take care of you and your family's needs throughout the year.

As a full-time employee consistently working at least 30 hours a week, you are eligible to participate in our healthcare benefit plan. This is your opportunity to review and consider any changes to your current benefit elections for the benefit plan year that begins August 1, 2020.

If you are not making any changes to your medical, dental or life insurance benefits, you do not need to complete any forms. If you wish to make changes, please complete an enrollment form and return to Human Resources. We ask that you complete a Flexible Spending Account enrollment form to elect for 2020/2021 plan year (August 1 through July 31). All forms must be returned to Human Resources by June 26, 2020.

Please visit <https://www.brainshark.com/hcwbenefits/vu?pi=zHXz19iDHlzNYyBz0> to listen to a recorded presentation about the benefit offerings for the 2020/2021 plan year.

Medical Plan

UnitedHealthcare (UHC)

We are continuing our medical and vision plans through UHC. Our medical plans run on a plan-year basis (August 1 through July 31), which means your deductibles and maximums reset every year on August 1. These plans give you the choice to see “in-network” or “out-of-network” physicians. By choosing an “in-network” physician, your out-of-pocket expenses will be considerably less.

The medical chart below is a high-level summary of your in-network medical benefits. You may also visit the UHC website at www.uhc.com to see a listing of participating providers in your area.

Place of Service	Base Plan: In-Network	Buy-Up Plan: In-Network	HDHP with HSA: In-Network
Preventive Care	100%	100%	100%

Annual Deductible	\$1,000/\$2,000	\$1,000/\$2,000	\$3,000/\$6,000 (Embedded \$3,000)
Out-of-Pocket Maximum	\$5,000/\$10,000	\$4,000/\$8,000	\$6,500/\$13,000 (Embedded \$6,500)

¹ Services provided at a Freestanding Facility or Physician's Office will not be subject to a per occurrence deductible (POD).

Preventive Care is covered at 100% with a preventive primary diagnosis code. The service must be a covered preventive care benefit under healthcare reform. Certain over-the-counter preventive medications are now available at no cost. During your annual physical, if anything is discussed or performed outside of the healthcare reform approved screenings, your visit may not be covered at 100%. *For a list of covered preventive benefits under healthcare reform, please visit <https://www.uhc.com/health-and-wellness/preventive-care>

Health Savings Account (HSA)

Further

If you participate in the High Deductible Health Plan (HDHP), you are eligible to open or maintain a Health Savings Account (HSA). If you elect the HDHP as your health benefits plan, you will receive an HSA Enrollment Package from Further which will walk you through setting up your HSA online.

The HSA is a personal savings account for health expenses, much like an IRA is used to save for retirement. Employees may make pre-tax contributions to their HSA that can then be used to pay for eligible medical, dental, or vision expenses.

Items to consider:

- In 2020, participants can choose to save up to \$3,550 for an individual and \$7,100 for a family.
- Eligible contributions are not taxable.
- Funds roll over from year to year.
- The account is yours and is portable should you leave.
- Highmark Companies will make the following contribution to your Health Savings Account during the 2020/2021 plan year (August 1, 2020 through July 31, 2021) (based on semi-monthly pay frequency):
 - \$25.00 per pay period for HSA Employee-Only subscriber
 - \$50.00 per pay period for HSA Employee + Spouse subscriber
 - \$50.00 per pay period for HSA Employee + Child(ren) subscriber
 - \$75.00 per pay period for HSA Family subscriber
- You are not eligible to contribute to an HSA if you are on Medicare or covered under your spouse's non-HDHP or if you participate in a general purpose Flexible Spending Account.

- HSA funds may be used for any medical eligible expense noted in Section 502 of the IRS Code. Examples of eligible expenses include, but are not limited to, dental treatment, corrective vision surgery, hearing aids, etc.

Healthcare Reform Update

Health Insurance Marketplace (Also known as the Exchange)

- Our plan is designed to be affordable and in compliance with Healthcare Reform requirements; however, you may be able to find a lower cost plan through the Marketplace. With that said, the Marketplace coverage may not be as rich of a plan.
- Employees who choose to purchase coverage through the Marketplace may not be eligible to receive a premium tax credit from the government.
- Marketplace open enrollment will be held from November 1, 2020 through December 15, 2020 with the earliest effective date for coverage being January 1, 2021.
- If you missed the annual enrollment deadlines for the Marketplace or our health plan, you will not be able to enroll in health insurance coverage unless you experience certain life events, such as the birth or adoption of a child or a termination of employment.

Dental Plan

UnitedHealthcare (UHC)

Our dental insurance coverage will continue with UHC. Our dental plan runs on a calendar year basis, which means our deductibles and maximums reset every year on January 1. We understand the importance of dental insurance to protect you and your family from oral health problems and expenses. If you visit a non-participating dental provider, you may be asked to pay for the visit up front.

Service	In-Network	Out-of-Network
Preventive Care	Covered at 100%	
Basic Care	Covered at 80% after deductible	
Major Care	Covered at 50% after deductible	
Orthodontia	Covered at 50% (child only) to a lifetime maximum of \$1,000

Life & Voluntary Life Insurance Plans

UnitedHealthcare (UHC)

All full-time employees are provided with a \$50,000 life insurance and a long-term disability benefit of 60% of your earnings up to \$7,500 a month. Coverage will continue with UnitedHealthcare.

You also have the opportunity to purchase additional life insurance:

- Employee - \$25,000 increments, up to the lesser of \$150,000 or 5 x earnings; \$50,000 guarantee issue
- Spouse – \$5,000 increments to the lesser of 50% of employee amount or \$75,000; \$20,000 guarantee issue
- Dependents – Lesser of 50% of employee amount or \$10,000 (14 days to age 26)

Should you wish to enroll or change your current amount of voluntary life insurance, please complete a Voluntary Life Insurance Enrollment form and Evidence of Insurability form.

Flexible Spending Account

ProBenefits

We offer our employees the opportunity to participate in a Flexible Spending Account (FSA). We offer two different programs: A general purpose Health FSA and a Dependent Care FSA, administered by ProBenefits. You may elect to contribute in pre-tax dollars up to \$5,000 to your Dependent Care FSA and up to \$1,500 in the Health FSA. These accounts allow you and your family to save tax dollars on either predictable out-of-pocket, health-related expenses not reimbursed by insurance or day care expenses.

Employees who participate in a Health Savings Account (HSA) with a high deductible health plan (HDHP) cannot participate in a traditional general-purpose Health FSA (i.e., a Health FSA that reimburses all Code Section 213(d) medical expenses), because it is considered impermissible "other coverage" under the HSA rules.
